The World Equity Composite was created January 1, 2018 (the "Inception Date"). Composite results are based on fully discretionary accounts under management, including those accounts no longer with the firm. Composite performance is presented net of foreign withholding taxes on dividends, interest income, and capital gains. Withholding taxes may vary according to the investor's domicile. Composite returns represent investors domiciled primarily in the United Kingdom, Switzerland, Japan and United States. The MSCI ACWI NR Index uses withholding tax rates applicable to GHI Country holding companies. New accounts are included in the composite

after 60 days from the month end following initiation. Terminated accounts are removed from the composite at the end of its last full month under management.

The U.S. Dollar is the currency used to express performance. Returns are presented gross and net of management fees and include the reinvestment of all income. Net of fee performance was calculated by retroactively applying the highest model fee for the composite (1.25% for periods 2018 through June 30, 2023 and 0.70% thereafter). The annual composite dispersion is an asset-weighted standard deviation calculated for the accounts in the composite the entire year.

The investment management fee schedule for new business is as follows: 1.00% on the first \$2 million, 0.90% on the next \$3 million and is negotiable above \$5 million. Management fees are generally paid quarterly in arrears. Actual investment advisory fees incurred by clients may vary.

For the period of January 1, 2018 through June 30, 2023, the performance presented occurred while the Portfolio Manager was at a prior firm. On June 30, 2023, Moody Aldrich Partners, LLC acquired the assets, strategies and books and records of the prior firm and the Portfolio Manager joined Moody Aldrich Partners to continue managing the strategies. The World Equity strategy satisfies the requirements for claiming performance record portability and the firm maintains the appropriate books and records to support performance. The World Equity Composite has undergone a portability evaluation for the period of January 1, 2018 through June 30, 2023.
